“He knows not how to rule a kingdom, that cannot manage a province; nor can he even wield a province, that cannot order a city; nor he order a city, that knows not how to regulate a village, nor he a village, that cannot guide a family, nor can that man govern well a family that knows not how to govern himself, neither can any govern himself unless his reason be Lord, and his will and appetite also his vassals; nor can reason rule unless herself be ruled by Almighty God and wholly be obedient to Him.” – Hugo Grotius. This all sums up this regime!
