LETTER OF APPEAL TO MR CYRIL RAMAPHOSA, PRESIDENT OF THE REPUBLIC OF SOUTH AFRICA

Dear members of the Intergovernmental Negotiating Body (INB),
We would like to share the letter of appeal that was sent to the State President of South Africa, Mr Cyril Ramaphosa, on 30 November 2023.

As concerned citizens of the Republic of South Africa, we believe it is our duty to highlight aspects of the two instruments that are currently being drafted by the INB.

These are:

1. The proposed amendments to the International Health Regulations (2005)
2. The proposed Pandemic Prevention, Preparedness, and Response Agreement (Accord)

Our concerns are highlighted in the attached letter.

Kind regards,
Freedom Alliance of South Africa (FASA)
