

LYS VAN GROEPE - KOOP DIREK VAN/BY/AAN DIE/N BOER / Feb 2024

Waar om by jou plaaslike boer te koop

Sodra jy by 'n "Koop by 'n Boer" groep aangesluit het, vra op daardie groep wie vars produkte, vleis, heuning, eiers ens in jou area of naaste aan jou area verkoop. (noem jou area).

Wanneer jy 'n antwoord met 'n groepsakel vir jou area ontvang, sluit by daardie groep aan en lees elke dag die advertensies om die voordele van koop deur jou plaaslike boer en/of tuisbesigheide te ontvang

Voordele: Produkte is varser dus is die produkte gesonder / Normaalweg is die pryse goedkoper as

Die winkels / Produkte bevat nie chemikalieë en/of entstowwe ens / Hou die gelde binne jou eie groep mense se sirkels ens. Sou jy by jou plaaslike produkte verskaffer wil koop MAAR nie daar kan uitkom nie, vorm 'n groep in jou voorstad, kry al die dames in jou onmiddellike omgewing aan boord om by jou area groep aantesluit. Organiseer saam met die mense wat vervoer het, om bestellings te neem en die brandstof kostes te deel onder die hoeveelheid mense wat bestellings geplaas het, reis op 'n Saterdagoggend en kollekteer direk by die plaaslike bron af (as hulle nie reeds na jou dorp toe kom om af te lewer nie)

As jy 'n mikroboer of 'n groot boer is, sluit by hulle aan en adverteer jou produkte

Where to buy from your local Farmer

Once you have joined a "Koop by a n Boer" group, Ask on that group who sells fresh produce, meat, honey, eggs etc in your area or closest to your area. (name your area).

When you receive a reply with a group link for your area, join that group and read the ads every day to receive the benefits of buying by your local farmer and/or home business's / Keep the money flowing within your peoples circles

..... **Benefits:** Products are healthier as they are fresher / Normally the pricing is cheaper than shops / Products do not contain chemicals &/or vaccines etc.

If you want to buy from your local produce supplier BUT cannot get there, form a group in your suburb, get all the ladies in your immediate area on board this area group. Organise with the people who have transport, to take orders and club in with the petrol, travel on a Saturday morning and collect directly from the local source (if they don't already come through to your town to deliver)

If you are a micro farmer or a big farmer, join them and advertise your produce
