

URGENT: ATTENTION ALL SOUTH AFRICAN PEOPLES!

URGENT MASS MOBILIZATION REQUIRED AT THE HIGH COURT OF SOUTH AFRICA, PRETORIA, GAUTENG FROM 4TH TO 6TH SEPTEMBER 2023

We urgently call upon all South African peoples to join us in a mass mobilization at the High Court of South Africa in Pretoria, Gauteng, from the 4th to the 6th of September 2023. Our goal is to demonstrate massive popular opposition and abhorrence against the COVID-19, and derivative / replacement vaccines, which are truly "COVID POISON KILL SHOTS," and against any potential future vaccination mandates.

PRAISE GOD, the "STOP THE SHOTS" urgent application for an interdict against the COVID-19 vaccines will finally be heard on the 4th to the 6th of September 2023 before Judge N Davis, nine months after its initial submission. It is disheartening to note that many less critical urgent interdicts were expedited, while this one, which is crucial to defending life and limb, faced such delays. Remember, JUSTICE DELAYED IS JUSTICE DENIED. This delay is a disgrace and a travesty of justice!

We implore all individuals who have been injured by the COVID-19 vaccines and the families of those who have tragically lost their lives due to these shots to urgently join us at the court. Please bring your strongest voices and demonstrate your opposition, abhorrence, disgust, and rejection of the COVID-19 vaccines and their potential mandates. We need your unwavering presence.
